

# FREMANTLE DISPUTE CONTINUES AS LGRCEU MEMBERS FIGHT FOR FAIRNESS

Thanks to all the members who attended the 6 hour strike action and protest march in Fremantle on Friday 19th Of March 2021. The solidarity and strength of conviction of members forced the CEO and Director of Corporate Services to meet with the LGRCEU and CFMEU to discuss the matters in dispute.

The CEO has advised the Unions that a response to their position will put back. We shall see whether the City backs up its word with action.

There will be another protest outside Council Offices on Friday the 26th of March 2021 and ongoing action by members in their fight for justice.
